The All-American Rejects - Gives You Hell   (Album: Gives You Hell) (2008)

E,   C#m,   A,   A

I wake up every evening, With a big smile on my face
And it never feels out of place
And you're still probably working, At a 9 to 5 pace
I wonder how bad that tastes

C: When you see my face hope it gives you hell
Hope it gives you hell
When you walk my way hope it gives you hell
Hope it gives you hell

Now where's your picket fence love, And where's that shiny car,
And did it ever get you far
You've never seem so tense love, I've never seen you fall so hard,
Do you know where you are

Pre-C: B   C#m   B   A
And truth be told I miss you,   And truth be told I'm lying

C: When you see my face hope it gives you hell
Hope it gives you hell
When you walk my way hope it gives you hell
Hope it gives you hell
If you find a man that's worth a damn and treats you well
Then he's a fool, you're just as well hope it gives you hell
** (hope it gives you hell)**

Tomorrow you'll be thinking to yourself
Where'd it all go wrong, the list goes on and on

[Pre-Chorus]

[Chorus]

```
    C#m                        A
Now you'll never see, what you've done to me
        E                              G#
You can take back your memories they're no good to me
      C#m                        A
And here's all your lies,    You can look me in my eyes
            F#m                    B
With that sad sad look you wear so well
```

Chorus (chant):
