

Asher Roth - I Love College (Album: Asleep in the Bread Aisle) (2009)

Cm, Gm, G#, Eb (chords for whole song)

intro: I'm nice right now... I, I feel good
if you have a drink, would you please put it in the air

**that party last night was awfully crazy, I wish we taped it
I danced my ass off and had this one girl completely naked
drink my beer and smoke my weed
with my good friends is all I need
pass out at 3 wake up at 10
go out to eat then do it again**

I wanna go to college for the rest of my life
sip bankers club and drink Miller Lite
on thirsty Thursday and Tuesday night ice
and I can get pizza a dollar a slice
so fill up my cup
let's get fuzzed up
I'm next on the table
who want what
I am champion at beer pong
Allen Iverson, Hakeem Olajuwon
don't even bounce, not in my house
better hope you make it
otherwise you naked
time isn't wasted, when you're getting wasted
woke up today and all I could say is

(chorus)

**bridge: man I love college, and I love drinkin'
I love women, I love college**

I can't tell you what I learned from school
but I could tell you a story or two
um yea of course I learned some rules
like don't pass out with your shoes on
and don't leave the house till the booze gone
and don't have sex if she's too gone
when it comes to condoms put two on
then tomorrow night find a new JAWN
hold the beer bong
nothing wrong with some fun
even if we did get a little just too drunk
time isn't wasted, when you're getting wasted
woke up today and all I could say is

(chorus)

**bridge: man I love college, and I love drinkin'
I love women, I love college**

now if everybody would please, put their drink as high as they can
as high as they can, and repeat after me

CHUG CHUG CHUG CHUG CHUG CHUG CHUG CHUG
FRESHMAN FRESHMAN FRESHMAN FRESHMAN
DO SOMETHIN CRAZY DO SOMETHIN CRAZY DO SOMETHIN
CRAZY DO SOMETHIN CRAZY
KEGSTAND KEGSTAND KEGSTAND KEGSTAND

(chorus)

*Yea, that party last night
man I love college, I love it, that party last night
alright everybody I gotta head back to class for a little bit*

(chorus in background)

*but after that... you know what's goin' down....my house and 3 kegs, see you
there....you're all invited...bring your friends....bring your mom, do I really have to
graduate, or can I just stay here for the rest of my life*
