

Audioslave - Be Yourself (Album: Out of Exile) (2005)

Bm D G Em

Someone falls to pieces Sleeping all alone
But someone kills the pain
Spinning in the silence She finally drifts away

Someone gets excited In a chapel yard and
Catches a bouquet
Another lays a dozen white roses on a grave **[Em]**

**C: Be yourself It's all that you can do
To be yourself is all that you can do**

Someone finds salvation in everyone
And another only pain
Someone tries to hide himself
Down inside himself He breaks

Someone swears he's true to love
Until the end of time Another runs away
Separate or united, Empty or insane **[Em]**

[chorus] x 2

[solo]

G A Bm F# Em D Bm

Even when you'd paid enough,
then put upon or been held up
If every single memory of,
what could have been faces of love
Don't lose any sleep tonight, I'm sure
everything will end up all right
Even with lows

[chorus] x 2...end on G
