

# **Bastille - Bad Blood (2013)**

**!!Capo:1st fret!!**

**Em, Em | D, C**

We were young and drinking in the park  
There was nowhere else to go  
And you said you always had my back  
Oh but how were we to know that

**PRE-C: C, Em | C, D**

**These are the days that bind you together forever  
And these little things define you forever forever**

**CHORUS: Em | C | D | D**

**All this bad blood here won't you let it dry  
It's been cold for years won't you let it lie**

If we're only ever looking back  
We will drive ourselves insane  
As the friendship goes resentment grows  
We will walk our different ways

**(PRE-CHORUS)**

**(CHORUS)**

***BRIDGE:***

***C | C | Em | Em***

***And I don't wanna hear about the bad blood anymore***

***C | C | Em | D***

***I don't wanna hear you talk about it anymore [x2]***

**(CHORUS)**
