

**Dan Black - Symphonies (Album: UN) (2009)**

**F, C, G, F (x2)**

I come disguise, I was hypnotized  
Lost a track, struggled back  
I wanted easy stuff to please me  
Something in the dark began to squeeze me  
Seen it, there, then there in the mirror  
Totally focused, no hocus pocus  
Dare I give in to this thing grip-pin' my skin  
To win, thinking how to

**F, Em, G, F**

**As the lights of a car go by in a stream  
Seems like I stand pretty much unseen  
But I open my eyes and beams come out**

**C** **G** **C, G**  
**Gimme, gimme, symphonies, Gimme more than the life I see**

**C** **F**  
**Score adds up, Angels play, Let my loneliness get blown away**

**C** **G** **C, G**  
**Gimme, gimme, symphonies, Gimme more than the life I see**

I lie down in the dust just under your eye  
A scrap of paper, thin as vapor  
Filling my clothes like smoke  
A couple of the wires in my heart are broke  
I throw, I miss, something, nothing  
But Dreams, schemes, moments wasted  
Taste I tasted, Fate I'm fated  
Re-edited again then copy pasted **[chorus]**

When I wanna quit, I suffocate it  
I chew bubblicious, stress repetitious  
Vicious, I'm one outside you  
Up above the streets on the DCY-er  
Higher, fire, in my guts  
In a rut, but what I've got  
Is in no can, no other human  
But I do get lonely, scared I'm phony, **[chorus]**

**Gimme, gimme symphonies, Gimme more than the life I see {x2}**
