

**blackbear - Hot Girl Bummer**

(Album: Everything Means Nothing) (2019)

**!! Capo: 2nd fret !! [130 bpm]**

**C | Am | Em | (Bm)**

Forget you, and you, and you  
I hate your friends and they hate me too  
I'm through, I'm through, I'm through  
This that hot girl bummer anthem  
Turn it up and throw a tantrum

This that hot girl bummer anthem; Turn it up and throw a tantrum  
This that throw up in your Birkin bag; Hook up with someone random  
This that social awkward suicide; That bite your lips and buy your likes  
I swear she had a man; But shit hit different when it's Thursday night

***That college dropout music;            Everyday leg day, she be too thicc***  
***And my friends are all annoying; But we go dumb, yeah, we go stupid***  
***This that 10K on the table;            Just so we can be secluded***  
***And the vodka came diluted;        One more line, I'm superhuman***

**[chorus]**

This that hot girl bummer 2-step; They can't box me in, I'm too left  
This that drip, it's more like oceans; They can't fit me in a Trojan  
Out of pocket, but I'm always in my bag; Yeah, that's the slogan  
This that, "Who's all there?"; I'm pullin' up wit'a emo chick that's broken

***[pre-chorus]***

**[chorus]**

This that college dropout music; Every day leg day, she be too thick  
And my friends are all annoying; But we go dumb, yeah, we go stupid  
This that college dropout music; Every day leg day, she be too thick  
And my friends are all annoying; But we go dumb, yeah, we go stupid  
We go stupid, we go stupid, we go *{And you want me to change?! }*
