

Bleachers - I Wanna Get Better (Album: Strange Desire) (2014)

[E | Bsus4 | A | Bsus4] (*basically repeat these chords for whole song*)

Hey, I hear the voice of a preacher from the back room,

Calling my name and I follow just to find you

I trace the faith to a broken down televisionand put on the weather

And I've trained myself to give up on the past 'cause

I frozen time between hearses and caskets

Lost control when I panicked at the acid test... I wanna get better!

While my friends were getting high and chasing girls down

parkway lines, I was losing my mind 'cause

the love, the love, the love, the love, the love....That I gave wasted on a nice face

In a blaze of fear I put a helmet on a helmet

Counting seconds through the night and got carried away

So now I'm standing on the overpass screaming at the cars, ... I wanna get better!

I didn't know I was lonely 'til I saw your face

I wanna get better, better,,, I wanna get better

I didn't know I was broken 'til I wanted to change

I wanna get better, better,,, I wanna get better

I go up to my room and there's girls on the ceiling

Cut out their pictures and I chase that feeling

Of an eighteen year old who didn't know what loss was..... Now I'm a stranger

And I miss the days of a life still permanent

Mourn the years before I got carried away

So now I'm staring at the interstate screaming at myself....

...Hey, I wanna get better!... **[chorus]**

F#

Bsus4

Better, 'cause I'm sleeping in the back of a taxi

F#

Bsus4

I'm screaming from my bedroom window, Even if its gonna kill me

Woke up this morning early before my family

From this dream where she was trying to show me

How a life can move from the darkness.....She said to get better

So I put a bullet where I shoulda put a helmet

And I crash my car 'cause I wanna get carried away

That's why I'm standing on the overpass screaming at myself

...Hey, I wanna get better!... **[chorus]**
