

Blind Melon - Change (Album: Blind Melon) (1992)

[A | G | D, G | A]

I don't feel the suns comin' out today

It's staying in, its gonna find another way.

As I sit here in this misery, don't

Think I'll ever see the sun from here. *In the bottom of this beer*

D G A

And oh as I fade away,

They'll all look at me and say, and they'll say,

Hey look at him! I'll never live that way.

(G)But that's okay, (D)they're just afraid to change.(A)

When you feel your life ain't worth living

You've got to stand up and

Take a look around you then a look way up to the sky.

And when your deepest thoughts are broken,

Keep on dreaming boy, cause when you stop dreamin' it's
time to die.

D G A

And as we all play parts of tomorrow,

Some ways we'll work and other ways we'll play.

But I know we can't all stay here forever,

(G) So I want to write my (D) words on the face of today.

(A) and then they'll paint it

Solo: {over verse chords: [A | G | D, G | A]}

D G A

And oh as I fade away,

they'll all look at me and they'll say,

Hey look at him and where he is these days.

(G) When life is hard, (D) you have to change. (A) (x3)
