

Blind Melon - Mouthful of Cavities (Album: Soup) (1995)

[Em, C, D, D]

Mouthful of cavities

Your soul's a bowl of jokes

And everyday you remind me

How I'm desperately in need

See, I got a lot of friends around

And they're peaking through nothing new

They see you, They see everything you do

See everything on the inside, out

Oh, please give me a little more

And I'll push away those baby blues

Cause one of these days this will die

So will me and so will you

I wrote a letter to a friend of mine

I tell him how much I used to love watch him smile

See I haven't seen him smile in a little while

Haven't seen him smile in a little while

But, I know you're laughing from the inside out

Laughin' from the inside out

I know you're laughing from the inside out

Laughing from the inside

From the inside, From the inside

From the inside, From the inside out
