Oooooooooooooooooo (4x)

We were at the table by the window the view
Casting shadows, the sun was pushing through
Spoke a lot of words, I don't know if I spoke the truth

Trouble on my left trouble on my right
I've been facing trouble almost all my life
My sweet love won't to pull me through,
Everywhere I look I catch a glimpse of you
I said it was love but I did it for life and I did it, did it for you
