Wait, I'm wrong, Should have done better than this  
Please, I'll be strong, I'm finding it hard to resist  
So show me what I'm looking for **[F]**

**C: Save me, I'm lost, Oh lord, I've been waiting for you**  
**I'll pay any cost, Save me from being confused**  
**Show me what I'm looking for [F]**

Don't let go, I've wanted this far too long
