

Catfish And The Bottlemen - Soundcheck (Album: The Ride (2016))

[Capo 2]

C

Maybe I don't act the way I used to
Because I don't feel the same about you

Am G C

In fact, that's a lie, I want you

C

I raced through soundcheck Just to meet you
on your fag break, And you convinced me

Am G C

To put life aside and want you

F

If only for the sake of it I could chill you out

Am

And drive us through the night to your sister's

F

You can fall asleep with my jacket as a cover

Am G C F C

And wake up just to join me to smoke

Am G C

I wanted everything at once

Until you blew me out my mind

Now I don't need nothing

C

Maybe I don't act the way I used to
Because I don't feel the same that I did

Am G C

In fact that's a lie, it's 'cuz I want you

[Pre-Chorus]

[Chorus] [x2]

Am, Am, G, F

We'll be talking about your background

And how it never left you much

Because you grew up in a small town

You'll appreciate it more

When you're done figuring your life out

And everything's fine

[x2] [Interlude]

[2nd verse]- [Chorus] [x2]
