

Coldplay - Amsterdam (Album: A Rush of Blood to the Head (2002))

E B F#m A

Come on, my star is fading
And I swerve out of control
If I, if I'd only waited
I'd not be stuck here in this hole
Come here my star is fading
And I swerve out of control
And I swear I waited and waited
I've got to get out of this hole

F#m A E B

But time is on your side, Its on your side now

F#m A E B

Not pushing you down and all around, It's no cause for concern

Come on, oh my star is fading
And I see no chance of release
And I know I'm dead on the surface
But I am screaming underneath

{chorus}

Stuck on the end of this ball and chain
And I'm on my way back down again
Stood on a bridge, tied to the noose
Sick to the stomach
You can say what you mean
But it won't change a thing
I'm sick of the secrets
Stood on the edge, tied to a noose
You came along and you cut me loose
You came along and you cut me loose
You came along and you cut me loose.
