Huh Huh Huh Wuuh Ooh [X 2]

Late night watching TV, used to be you here beside me
Used to be your arms around me, your body on my body

[Em, G, D, Am]

**When the world means nothing to me; Another's arms, Another's arms;
When the pain just rips right through me; Another's arms, Another's arms;**

Huh Huh Huh Wuuh Ooh [X 2]

Late night watching TV, used to be you here beside me
Is there someone there to reach me? Someone there to find me?

**When the pain just rips right through me; Another's arms, Another's arms;
And that's just torture to me; Another's arms, Another's arms;
Pull yourself into me; Another's arms, Another's arms;
When the world means nothing to me; Another's arms, Another's arms;**
