

Coldplay - Politik (Album: A Rush of Blood to the Head (2002))

C7 | Fm(add11) | C7 | Fm(add11) *(repeat chords for whole song)*

Look at earth from outer space... everyone must find a place
give me time and give me space... give me real, don't give me fake
give me strength, reserve, control... give me heart and give me soul
give me time, give us a kiss... tell me you're a politik

open up your eyes open up your eyes (x2)

Give me one, cuz one is best... In confusion confidence
give me peace of mind and trust... don't forget the rest of us
give me strength, reserve, control... give me heart and give me soul
Wars that heal and cracks that fix... tell me you're a politik

open up your eyes open up your eyes (x2)
