

Coldplay - The Scientist (Album: A Rush of Blood to the Head (2002))

Dm7 **Bb** **F** **Fsus4**

Come up to meet you, tell you I'm sorry
You don't know how lovely you are
I had to find you, tell you I need you
Tell you I set you apart
Tell me your secrets and ask me your questions
Oh let's go back to the start
Running in circles, coming in tails
Heads on a science apart

Bb **F** **Fsus4**
Nobody said it was easy Oh it's a shame for us to part
Bb **F** **Fsus4** **C**
Nobody said it was easy No one ever said it would be this hard
..... **F, Bb, F, Fsus4**

Oh take it back to the start

I was just guessing at numbers and figures
Pulling your puzzles apart
Questions of science, science and progress
Do not speak as loud as my heart
Tell me you love me, come back and haunt me
Oh and a rush to the start
Running in circles, chasing at tails
Coming back as we are

{chorus}

Ohhhh.....etc.
