

Flora Cash - You're Somebody Else

(Album: Nothing Lasts Forever (And It's Fine)) (2017)

!! Capo on 1st !!

Am F C Em (or G)

I saw the part of you, That only when you're older
you will see too, You will see too
I held the better cards, But every stroke of luck
has got a bleed through, It's got a bleed through
You held the balance of the time, That only blindly
I could read you, But I could read you
It's like you told me, Go forward slowly
It's not a race to the end

**Well you look like yourself
But you're somebody else
Only it ain't on the surface**

**Well you talk like yourself
No, I hear someone else though
Now you're making me nervous**

You were the better part
Of every bit of beating heart that I had
Whatever I had

I finally sat alone
Pitch black flesh and bone
Couldn't believe that you were gone

[chorus x2]

gibberish

[chorus x2]

I saw the part of you, That only when you're older
you will see too, You will see too
