

**GAYLE - Abcdefu || Key: E || 122 bpm**

**E, G#m, C#m, A [or: C, E, Am, F]**

**Forget you and your mom and your sister and your job**

**And your broke-down car and that things you call art**

**{{ 3<sup>rd</sup>: & your craigslist couch and the way your voice sounds }}**

**Forget you and your friends that I'll never see again**

**Everybody but your dog, you can all get lost.**

I swear I meant to mean the best when it ended

Even tried to bite my tongue when you start it

Now you're textin' all my friends asking questions

They never even liked you in the first place

Dated a girl that I hate for the attention

She only made it two days, what a connection

It's like you'd do anythin' for my affection

You're goin' all about it in the worst ways

***Pre: I was into you, but I'm over it now, & I was tryna be nice***

***But nothing's getting through, so let me spell it out: A-B-C-D-E, F U***

**[CHORUS]**

**Nah-nah-nah, nah-nah, nah, nah-nah A-B-C-D-E, F U**

You said you just needed space and so I gave it

When I had nothin' to say you couldn't take it

Told everyone I'm a, so I became it

Always had to put yourself above me

**[pre-chorus]**

**[CHORUS]**

**Nah-nah-nah, nah-nah, nah, nah-nah A-B-C-D-E, F U**

**Nah-nah-nah, nah-nah, nah, nah-nah A-B-C-D-E, F U**

**[CHORUS]**
