

Glass Animals - Heat Waves

C#m7/ C#m (or E), B, G#m , F# (no capo)
A#m7/ A#m (or C), G, Em, D (capo 4th)

Road shimmer, Wiggling the vision

Heat heat waves, I'm swimming in a mirror [x2]

**Sometimes, all I think about is you,
Late nights in the middle of June,
Heat waves been faking me out,
Can't make you happier now, [x2]**

Usually I put, Something on TV

So we never think, About you and me

But today I see, Our reflections

Clearly in Hollywood, Laying on the screen

You just need a better life than this,

You need something I can never give,

Fake water all across the road,

It's gone now the night has come but,

CHORUS

You can't fight it, You can't breathe,

You say something so loving but,

Now I've got to let you go,

You'll be better off in someone new,

I don't wanna be alone,

You know it hurts me too,

You look so broken when you cry,

One more and then I'll say goodbye

CHORUS [x2]

I just wonder what you're dreaming of

When you sleep and smile so comfortable

I just wish that I could give you that

That look that's perfectly un-sad

CHORUS [x3]

Road shimmer, Wiggling the vision Heat heat waves, I'm swimming in a mirror [x2]
