

## Green Day - Minority (Album: Warning) (2000)

**C F G F**

**I want to be the minority  
I don't need your authority  
Down with the moral majority  
cause I want to be the minority**

**C G F C**

I pledge allegiance to the underworld

**C G F G**

one nation under dog of which i stand alone

**C G F C**

a face in the crowd, a song against the mold

**C F G C**

without a doubt, singled out, the only way i know

### [CHORUS]

**Am Em F C Am Em F G**

stepped out of the light like a sheep runs from the herd

**Am Em F C Am F G G G**

marching out of time to my own beat now the only way i know

one light one mind, lashing in the dark

rising by the silence of a thousand broken hearts

for crying out loud, she screamed down to me

a free for all, fuck 'em all you and you're out of sight
