

# Hymn - Amazing Grace (Elvis Presley (1972) )

{ lyrics: John Newton (1772) }

Key: G, bpm: 70

**G G7 C G D D7**

Amazing Grace! how sweet the sound that saved a wretch like me!  
'Twas grace that taught my heart to fear, & grace my fears relieved;  
Thro' many dangers toils and snares, I have already come;  
The Lord has promised good to me, his Word my hope secures;  
And when this flesh and heart shall fail, and mortal life shall cease,  
When we've been there ten thousand years,  
bright shining as the sun,

**G G7 C G Em D7 C G**

I once was lost, but now am found, was blind but now I see.  
How precious did that grace appear the hour I first believed!  
'tis grace has brought me safe thus far, & grace will lead me home.  
He will my shield and portion be, as long as life endures.  
I shall possess within the veil a life of joy and peace.  
We've no less days to sing God's praise,  
than when we've first begun.
