

Kanye West - Heartless (Album: 808s & Heartbreak) (2008)

Am7, F, Dm7, E7 (repeat Chords for song)

**In the night I hear them talk,
The coldest story ever told,
Somewhere far along this road he lost his soul,
To a woman so heartless....
How could you be so heartless?**

How could you be so, cold
as the winter wind when it breeze yo
Just remember that you talking to me though
You need to watch the way you talking to me yo/
I mean after all the things that we been through
I mean after all the things we got into
And yo I know of some things that you ain't told me
And yo I did some things but that's the old me/
And now you wanna pay me back & you gon show me
So you walk round like you don't know me
You got them new friends, well I got homeys
But at the end it's still so lonely

[CHORUS]

How could you be so Dr. Evil
You're bringing out a side of Me that I don't know,
I decided we weren't gonna speak so
why are up 3 a.m. on the phone,
Why does she be so mad at me for,
homey I don't know she's hot and cold,
I won't stop and mess my groove up
cause I already know how this thing goes

BRIDGE: F, Am7, Dm7, E7

*You run and tell your friends that you're leavin' me,
They say that they don't see what you see in me,
You wait a couple months then you gone' see,
You'll never find nobody better than me*

Am7, F, Dm7, E7

**In the night I hear them talk,
The coldest story ever told,
Somewhere far along this road he lost his soul,
To a woman so heartless....
How could you be so heartless?**

Talkin', talkin', talkin', talk
Baby let's just knock it off
They don't know what we been through
They don't know 'bout me and you

So I got something new to see
And you just gon' keep hatin' me
And we just gon' be enemies
....just gon' be enemies

I know you can't believe
I could just leave it wrong
And you can't make it right
I'm gon' take off tonight...Into the night...

CHORUS
