

Kevin Rudolf - I made it (Album: YMCMB anthology) (2012)

!!!CAPO 4th FRET!!!

Am, C, G, Am (Repeat *CHORDS* for whole song)

**I look up to the sky, and now the World is mine
I've known it all my life, I made it, I made it!
I used to dream about, the life I'm living now
I know that there's no doubt. I made it, I made it!**

Known from the city where no one believed in me
but I never give up the fight.

Ya, but now on top. I told you to let it rock
The moneys fallin from the sky-y-y-y-y..... I made it.

[Chorus]

Rooftop, hella choppa burning smoke
Louie bag stay strapped wit a priceless globe
High life, flippin and get some more.
Paradise, the luxury marble floor
when I hit, hit me full of that cash
More money than I seen in a garbage can
Stunna island, money and the power
that's how we do it, make it rain make it shower
top floor, big timer doing big things
over city views bought shawty new range
flip another 100, poppin throwing hundreds
in a new Bently, uptown stunna...

[Chorus]

see I don't live for glamour, and I don't care for fame
I'm in this for the love of the game
funny how things can change
they didn't believe in me, then they calling my name
now look who cashed in
they didn't wanna know me back then
but ever since I don gone platinum
everything turned around; now the sky is falling down

**I look up to the sky, and now the World is mine
I've known it all my life, I made it, I made it!
I used to dream about, the life I'm living now
I know that there's no doubt. I made it, I made it!**

Came from the gutter, lookin like my motha
made it to the goal line, straight out the huddle
cash money goldmine, weezy stay loyal
boy we getting money like we just found oil
uh and that's word to my red flag
I live first and leave the bullsh-t dead last
I lay it down so hard I got a bedrash
And I just tell em to loaf it when the bread pass
Staring at you from the top of the game man
I might drop the World if I change hands
uh it feel good to be here,
Weezy in the building got this b-tch rebuilt. Young Money
[Chorus]
