I got my driver's license last week, Just like we always talked about
'Cause you were so excited for me, To finally drive up to your house
But today I drove through the suburbs, Crying 'cause you weren't around

And you're probably with that blonde girl, Who always made me doubt
She's so much older than me, She's everything I'm insecure about
today I drove through the suburbs, 'Cuz how could I ever love someone else?

And [C] I know we weren't perfect [run: C – D – E – F#]
but I've never felt this way for [G] no one

And [C] I just can't imagine how you could be so okay
now that [G] I'm gone

Em D G Bm7 C

Guess you didn't mean what you wrote in that song about me

C6 D G

'Cause you said forever, now I drive alone past your street

And all my friends are tired, of hearing how much I miss you, but
I kinda feel sorry for them, 'Cuz they'll never know you the way that I do,
Today I drove through the suburbs, & pictured I was driving home to you
[Chorus]

Em C
Red lights, stop signs, I still see your face in the

G D
white cars, front yards, Can't drive past the places

Em C G D
we used to go to, 'Cause I still fuckin' love you, babe, Oh

*Sidewalks we crossed, I still hear your voice
in the traffic, we're laughing, over all the noise, God I'm so blue,
know we're through, 'Cause I still fuckin' love you, babe, Oh*

[Chorus]

C D Em7

Yeah, you said forever, now I drive alone past your street
