Day off in Kyoto, Got bored at the temple  
Looked around at the 7-Eleven  
The band took the speed train, Went to the arcade  
I wanted to go, but I didn't

You called me from a payphone, They still got payphones,  
It costs a dollar a minute,  
To tell me you're getting sober, And you wrote me a letter  
But I don't have to read it

Sunset's been a freak show, On a weekend, so,  
I've been driving out to the suburbs  
To park at the Goodwill, And stare at the contrails  
With my little brother  
He said you called on his birthday, You were off by like ten days  
But you get a few points for tryin',  
Remember getting the truck fixed

**G/F# Csus2/G**

When you let us drive it, 25 felt like flying
