

## **SHAED - Trampoline (Album: MELT) (2018)**

**!!! Capo 3<sup>rd</sup> !!!**

**Em, G, D, A (Am)**

I've been havin dreams , Jumpin on a trampoline

Flippin in the air , I never land just float there

As I'm looking up, Suddenly the sky erupts

Flames alight the trees...Spread to fallin leaves,

Now they're right upon me

**C, D, Em, Am – G, (B)**

**Wait if I'm on fire; How am I so deep in love?**

**When I dream of dying; I never feel so loved**

I've been having dreams, Splashin in a summer stream

Trip and I fall in, I wanted it to happen

My body turns to ice, brushin weight of paradise

Solid block of gold...Lying in the cold,

I feel right at home
