Steve Lacy - Bad Habit (Album: Gemini Rights) (year: 2022)

Capo: 1st fret 84 bpm

Chords: C ,   G | Am ,   Bm   (or use alt chords at end)

I wish I knew, I wish I knew you wanted me (x2)

What you, ooh, uh, what you do?,   Made a move, coulda made a move,
If I knew I'd be with you, Is it too late to pursue?

I bite my tongue, it's a bad habit, Kinda mad that I didn't take a stab at it,
Thought you were too good for me, my dear, Never gave me time of day, my dear,
It's okay, things happen for, Reasons that I think are sure, yeah

I wish I knew, I wish I knew you wanted me (x4)

Say to me (please just say to me), If this could wind up
I wish you wouldn't play with me, I wanna know (oh no)

Can I bite your tongue like my bad habit? Would U mind if I tried to make a pass at it?
Were you not too good for me, my dear? Funny you come back to me, my dear
It's okay, things happen for, Reasons that I can't ignore, yeah

I wish I knew, I wish I knew you wanted me (x2)

You can't surprise a Gemini, I'm everywhere, I'm cross-eyed, &
Now that you're back, I can't decide, If I decide if you're invited
You always knew the way to wow me, F' around, get tongue-tied, &
I turn it on, I make it rowdy, Then carry on, but I'm not hidin'
Em   Am   D   Bm

You grabbin' me hard 'cause you know what you found

You can't surprise a Gemini, But you know it's biscuits, is gravy, babe
I knew you'd come back around, 'Cause you know it's biscuits, it's gravy, babe
