

Taylor Swift - Lavender Haze (Album: Midnights) (Year: 2022)

Capo: 1st fret (Key: Eb) - 97 bpm

Chords: D , E , Bm , Bm

Meet me at midnight (ooh, ooh, ... whoa)

Staring at the ceiling with you

Oh, you don't ever say too much

And you don't really read into My melancholia

I've been under scrutiny (yeah, oh yeah)

You handle it beautifully (yeah, oh yeah)

All this shit is new to me (yeah, oh yeah)

C: I feel a lavender haze creeping up on me

So real, I'm damned if I do give a damn what people say

No deal, the 1950s shit they want from me

I just wanna stay in that lavender haze (ooh, ooh, ... whoa)

All they keep asking me (all they keep asking me)

Is if I'm gonna be your bride

The only kind of girl they see (the only kind of girl they see)

Is a one night or a wife

I find it dizzying (yeah, oh yeah)

They're bringing up my history (yeah, oh yeah)

But you aren't even listening (yeah, oh yeah)

[CHORUS]

That lavender haze

Talk your talk and go viral, I just need this love spiral

Get it off your chest, Get it off my desk (REPEAT)

[CHORUS]

Get it off your chest, Get it off my desk

That lavender haze

I just wanna stay, I just wanna stay

In that lavender haze
