The summer that I broke my arm

**B B/A B/C# F#m**

I waited for your letter

I have no feeling for you now

Now that I know you better **[Intro]**

I wish that I could have loved you then

Before our age was through

And before a world war does with us

Whatever it will do **[Intro]**

Dreamed I drove home to Houston

On a highway that was underground

There was no light that we could see

As we listened to the sound of the engine failing **[Intro]**

**E A E**

**I feel like I've been living in**

**A E**

**A city with no children in it**

**A millionaire inside of a private prison [Intro]**

You never trust a millionaire

Quoting the sermon on the mount

I used to think I was not like them

But I'm beginning to have my doubts, my doubts about it **[Intro]**

When you're hiding underground

The rain can't get you wet

But do you think your righteousness

Could pay the interest on your debt, I have my doubts about it **[Intro]**

**[Chorus]**
