

The Chainsmokers - Paris (Album: Memories...Do Not Open (2017))

G, Bm, A, F#m7 (*repeat chords for whole song*)

We were staying in Paris, To get away from your parents
And I thought: "Wow, if I could take this in a shot right now
I don't think that we could work this out"

Out on the terrace, I don't know if it's fair
But I thought: "How could I let you fall by yourself
While I'm wasted with someone else?"

If we go down, then we go down together

They'll say you could do anything

They'll say that I was clever

If we go down, then we go down together

We'll get away with everything

Let's show them we are better[x3]

We were staying in Paris, To get away from your parents
You look so proud, Standing there with a frown and a cigarette
Posting pictures of yourself on the internet
Out on the terrace, We breathe in the air of this small town
On our own, cutting class for the thrill of it
Getting drunk on the past we were living in

[CHORUS]

Let's show them we are better[x3]
