

Coleman Hell - 2 Heads (Album: Berlin Tag & Nacht: Die WG-Party (2015))

F, Am, C, G

There must be something in the water

And there must be something about your daughter

She said our love ain't nothing but a monster

Our love ain't nothing but a monster, With 2 HEADS!

Am, C, G, F

I turn to you, you're all I see

Our love's a monster with 2 heads and one heartbeat

I turn to you, you're all I see

Our love's a monster with 2 heads and one heartbeat

We just got caught up in the moment

Why don't you call me in the morning instead

Before we turn into a monster

Before we turn into a monster with 2 heads

I hope to god I'll love you harder

I hope to god I'll love you longer

If only I could live forever

If only I could hold you longer

[chorus]

I turn to you, you're all I see

Our love's a monster with 2 heads and one heartbeat

I turn to you, you're all I see

Our love's a monster with 2 heads and one heartbeat

We just got caught up in the moment

Why don't you call me in the morning instead

Before we turn into a monster

Before we turn into a monster with 2 heads
