

Fitz and The Tantrums - Walker

(Album: More Than Just a Dream (2013))

D, G, F, G

Ooh, crazy's what they think about me
Ain't gonna stop 'cause they tell me so
'Cause 99 miles per hour baby,
Is how fast that I like to go.

Can't keep up with my rhythm, Though they keep trying.
Too quick for the lines they throw.
I walk to the sound of my own drum,
We go, they go, we go, hey yeah yeah yeah

F, G, D, F / Oh, here we go, Feel it in my soul
 Really mean it, mean it, so go
Bb, G, D, D / Gotta feel it, honey takes control
 Really mean it, mean it

I wake up to the city of angels
To see my name headlining the coast
They say I'm a walking dreamer, baby
If I stop they would make the show
Can't keep up with my rhythm, Though they keep trying.
Too quick for the lines they throw.
I walk to the sound of my own drum,
We go, they go, we go, hey yeah yeah yeah
