Run and tell all of the angels, This could take all night
Think I need a devil to help me get things right
Hook me up a new revolution, Cause this one is a lie
We sat around laughing and watched the last one die

Bsus2 F#m, E

I'm looking to the sky to save me, Looking for a sign of life
I'm looking for something to help me burn out bright

Bsus2 Asus2, E

I'm looking for complication, Looking cause I'm tired of lying

G Asus2 Bsus2 F#m E

Make my way back home and learn to fly high

Bsus2 F#m, E

I think I'm done nursing my patience, It can wait one night
I'd give it all away if you'd give me one last try
We'll live happily ever trapped, If you just save my life
Run and tell the angels that everything's alright

[CHORUS]

[Try to make this life my own] (x2)
