

Foo Fighters - Wheels (Album: Greatest Hits (2009))

D | A | F#m | E (*repeat chords for whole song*)

I know what you're thinkin', We were goin' down
I can feel the sinkin', But then I came around

And everyone I've loved before, Flashed before my eyes
And nothin' mattered anymore, I looked into the sky

Well I wanted something better man
I wished for something new
And I wanted something beautiful
And wish for something true
Been lookin' for a reason man
Something to lose

Chorus:

When the wheels come down (*When the wheels come down*)
When the wheels touch ground (*When the wheels touch ground*)
And you feel like it's all over, There's another round for you
When the wheels come down (*When the wheels come down*)

Know your head is spinnin', Broken hearts will mend
This is our beginning, Comin to an end

Well I wanted something better man
I wished for something new
And I wanted something beautiful
And wish for something true
Been lookin' for a reason man
Something to lose

[chorus X 3]
