

Foster The People - Sit Next To Me (Album: Sacred Hearts Club (2017))

Bm7, F#m7, A, E (*repeat chords for whole song*)

Yeah, it's over, it's over, I'm circling these vultures,
Got me praying that it's longer, Feeling something rotten,
Last time I saw you said "What's up" & pushed right through,
Then I tried to catch you, But we're always on the move;
& now it's over, we're sober, Symptoms of the culture,
& the night ain't getting younger, Last call's 'round the corner,
Feeling kinda tempted , & I'm pouring out the truth,
Just fading out this talk is 'cause now all I want is you,

I'm saying, come over here sit next to me

We can see where things go naturally

Just say the word and I'll part the sea

Just come over here and sit next to me, [Ooh]

And I'll take you high, high, [Ooh]

I ain't frontin' my intention, Got your man outlined in chalk,
It's a midnight intervention, Got no plans to make it stop,
Last time I saw you said, "You wanna keep the light?"
But I'm here to tell you, I'm not trying to change your mind,

[Chorus]

Bm7 F#m7 Esus4 E

It's alright It's alright

Bm7 F#m7 B5 - C#5 - D5 - F#5

It's alright It's alright

[Chorus]
