

The Killers - When You Were Young (Album: Sam's Town (2006))

E/// /// F# // G#m // B, E

You sit there in your heart-ache, Waiting on some beautiful boy to
To save you from your old ways,

You play forgiveness, Watch it now, Here he comes
He doesn't look a thing like Jesus, But he talks like a gentleman
Like you imagined, **When you were young**

Can we climb this mountain I don't know,
Higher now than ever before
I know we can make it if we take it slow,
Let's take it easy, easy now, watch it go

We're burning down the highway skyline,
On the back of a hurricane, That started turning
When you were young; When you were young

And sometimes you close your eyes,
And see the place where you used to live
When you were young

To save you from your old ways,

You play forgiveness Watch it now Here he comes
