

# Lewis Capaldi - Someone You Loved

(Album: Divinely Uninspired to a Hellish Extent (2019))

!!! Capo: 1<sup>st</sup> !!! [Key: C#]

**C | G | Am | F** *(repeat chords for song)*

I'm going under and this time I fear there's no one to save me  
This all or nothing really got a way of driving me crazy  
I need somebody to heal, Somebody to know,  
Somebody to have, Somebody to hold  
It's easy to say, But it's never the same  
I guess I kinda liked the way you numbed all the pain

**Now the day bleeds, Into nightfall,  
And you're not here, To get me through it all,  
I let my guard down, And then you pulled the rugs,  
I was getting kinda used to being someone you loved,**

I'm going under and this time I fear there's no one to turn to  
This all or nothing way of loving got me sleeping without you  
Now, I need somebody to know, Somebody to heal,  
Somebody to have, Just to know how it feels,  
It's easy to say but it's never the same,  
I guess I kinda liked the way you helped me escape

**[Chorus ]**

***Dm Am G***

***And I tried to close my eyes but it hurts sometimes***

***Am Dm Am G***

***I fall into your arms, I'll be safe in your sound till I come back around***

**[Chorus x2]**
