!!! Capo 4 !!!

Stick with me Jesus through the coming storm
I've come to you in search of something I've lost
Shine down a light on me and show a path
I promise you I will return if you take me back

**Let em get high, Let em get stoned
Everything will be alright if you let it go**

My friends are so alone and it breaks my heart
My friends don't understand we are all lost
Shine down a light on them and show a path
I promise you they will return if you take em back
