

Oasis - Champagne Supernova

(Album: (What's the Story) Morning Glory? (1995))

A | G | F#m | E

How many special people change, how many lives are livin' strange
Where were you while we were gettin' high?
Slowly walkin' down the hall, faster than a cannonball
Where were you while we were gettin' high?

**Someday you will find me, caught beneath the landslide
In a Champagne Supernova in the sky
Someday you will find me, caught beneath the landslide
In a Champagne Supernova, Champagne Supernova in the sky**

Wake up the dawn & ask her why a dreamer dreams she'll never die
Wipe that tear away now from your eye
Slowly walkin' down the hall, faster than a cannonball
Where were you while we were gettin' high?

[Chorus]

D A Asus4 A

Cos people believe that they're gonna get away for the summer

D Bm

But you and I we live and die, the world's still spinning round

E A G F#m E

We don't know why, why, why, why, why.

[Solo over verse Chords]

[Repeat Verse 1]

[Chorus]
