She's electric, She's in a family full of eccentrics  
She's done things I've never expected, and I need more time  
She's got a sister, And God only knows how I've missed her  
And on the palm of her hand is a blister, And I need more time

**A Amaj7 A Amaj7**  
And I want you to know, I've got my mind made up now

**A C#m E E7**  
But I need more time

**A Amaj7 A Amaj7**  
And I want you to say, do you know what I'm saying

**A C#m**  
But I need more....  
**E**

Cause I'll be you and you'll be me  
**E7**

There's lots and lots for us to see  
**F#m7add4**

There's lots and lots for us to do  
**B**

She is electric, can I be electric too?

She's got a brother, We don't get on with one another  
But I quite fancy her mother, And I think that she likes me  
She's got a cousin, In fact she's got 'bout a dozen  
She's got one in the oven, But it's nothing to do with me

**[Pre-Chorus]**

can I be electric too can I be electric too
