

Radiohead - Thinking About You (Album: Pablo Honey (1993))

G Cadd9 G Cadd9 G
Been thinkin 'bout you, your records up here
G Cadd9 G Cadd9 D/F#
Your eyes on my wall, your teeth are over there
Em Em7 D/F# G Cadd9 G
But I'm still no-one, and you're a star, What do you care

Been thinking about you, and there's no rest
Should, I still love you, still see you in bed
When I'm playing with myself, and what do you care
When the other men are far, far better

C Cmaj7 C Cmaj7 C
All the things you got, all the things you need
C Cmaj7 C Cmaj7 Gmaj7/B
I bought you cigarettes, I'll bribe the company
Csus2 G/B, Csus2, G/B, Csus2
To come and see you, honey

I've been thinking about you, so how can you sleep
These people aren't your friends, they're paid to kiss your feet
But they don't know what I know, and why should you care
When I'm not there

[interlude: verse chords]

Been thinking about you, and there's no rest
Should, I still love you, still see you in bed
When I'm playing with myself, what do you care
When I'm not there

**All the things you got, you'll never need
All the things you got, I'm planning to bleed to, please you**
