

**Red Hot Chili Peppers - Dosed (Album: By the Way (2002))**

**[ C | C | D | Em ]**

I got dosed by you & Closer than most to you and  
What am I supposed to do  
Take it away I never had it anyway  
Take it away and everything will be okay

In you a star is born & You cut a perfect form and  
Someone forever warm  
Lay on lay on lay on lay on  
Lay on lay on lay on lay on

**G, D, Em, C**  
**C: Way upon the mountain where she died**  
**All I ever wanted was your life**  
**Deep inside the canyon I can't hide**  
**All I ever wanted was your life**

Show love with no remorse & Climb on to your seahorse &  
This ride is right on course  
This is the way I wanted it to be with you  
This is the way that I knew that it would be with you  
**[Chorus]**

I got dosed by you & Closer than most to you and  
What am I supposed to do  
Take it away I never had it anyway  
Take it away and everything will be okay  
**[Chorus]**

**OUTRO (solo): [ C | C | D | Em ] x6**
