

Red Hot Chili Peppers - I Could Have Lied (Album: Blood Sugar Sex Magik (1991))
(see Riff at end)

[B, B, A, G]

There must be something, In the way I feel
That she don't want me to feel
The stare she bares cut me,
I don't care, You see so what if I bleed

[B, D, A, G]

***I could never change, Just what I feel
My face will never show, What is not real***

A mountain never seems to have, The need to speak
A look that shares so many seek
The sweetest feeling, I got from you
The things I said to you were true

[B, D, A, G]

***I could never change, Just what I feel
My face will never show, What is not real***

[Em, G, D, C]

**C: I could have lied I'm such a fool
My eyes could never, never, never keep their cool
Showed her and I told her how
She struck me but I'm messed up now**

(solo over pre-chorus chords)

But now she's gone yes she's gone away
A soulful song, That would not stay
You see she hides 'cause she is scared
But I don't care, I won't be spared

(chorus x 2)
