

Red Hot Chili Peppers: Snow (hey Oh) (Album: Stadium Arcadium (2006))

[G#m | E | B | F#] (repeat Chords for verse; see Tab at end)

Come to decide that the things that I tried were in my life just to get high on.
When I sit alone, come get a little known but I need more than myself this time.
Step from the road to the sea to the sky, and I do believe that we rely on
when I lay it on, come get to play it on, all my life to sacrifice.

Hey oh...listen what I say oh, I got your hey oh, now listen what I say oh

When will I know that I really can't go to the well once more time to decide on.
When it's killing me, when will I really see, all that I need to look inside.
Come to believe that I better not leave before I get my chance to ride,
When it's killing me, when do I really need, all that I need to look inside.

Hey oh...listen what I say oh, come back and Hey oh lookin' what I say oh

E

F# G#m

The more I see, the less I know, The more I like to let it go - hey oh woh, woh.

[B, F#, C#m, C#m]

**C: Deep beneath the cover of another perfect wonder where it's so white as snow,
Privately divided by a world so undecided and there's nowhere to go
In between the cover of another perfect wonder where it's so white as snow
Running through a field where all my tracks will be concealed and there's
nowhere to go. Ho!**

Went to descend to amend for a friend, All the channels that have broken down.
Now you bring it up, I'm gonna ring it up, Just to hear you sing it out
Step from the road to the sea to the sky, and I do believe what we rely on
when I lay it on, come get to play it on all my life to sacrifice

Hey oh...Listen what I say oh,

I got your hey oh...listen what I say oh
