

Red Hot Chili Peppers: Wet Sand (Album: Stadium Arcadium (2006))

G D Em Bm

My shadow side, so amplified, keeps coming back dissatisfied
Elementary son, but it's so, My love affair with everywhere
Was innocent why do you care, Someone stop the car, Time to go
Your the best I know

My sunny side is up and died, I'm betting there when we collide
The universe will shift into a low, the travesties that we have seen
treating me like Benzedrine, automatic laughter from a pro

Em G D Em (chords played at high position)

**My what a good day for a, walk outside
I'd like to know you a little better babe God knows that i really tried
My what a good day for a take out bride
I'd like to say we did it for the better of**

I saw you there so unaware, Those humming birds all in your hair
Elementry so, but it's so, The disrepair of Norma Jean
could not compare to you're routine, Ballorama beauty going toe to toe
My what a good day just to let it slide
I'd like to say we did it for the better of

CHORUS: E C E
**I thought about it and I brought it out
I'm motivated by the lack of doubt
I'm concentrated but I'm looking out
Mother, the father, the daughter**

Right on the verge is one more dose, I'm travelling from coast to coast
my theory isn't perfect but it's close, i'm almost there, why should i care
my heart is hurting when i care, Someone opened up, let it show

Em G D Em (chords played at high position)

My, what a good day for a walk outside
I like to think we did it for the better of

[CHORUS]

E F# G#m, E F# G#m
Yeah you don't form in the wet sand, You don't form at all
E F# G#m F# E Eb
