

The Kid LAROI - Without You (Album: F*ck Love (2020))

!!! Capo: 1st !!! [93 bpm]

Am, Fmaj7, C, G

**You cut out a piece of me, and now I bleed internally
Left here without you (no, no, no), without you (ooh, ooh)
And it hurts for me to think about what life could possibly be like
Without you (no, no, no), without you (no, no)**

I can't believe that you wouldn't believe me
Forget all of your reasons
I lost myself, you know I didn't mean it
Now I see it, you run and repeat it
And I can't take it back, so in the past is where we'll leave it, uh

Am, Fmaj7, C, E

**So there you go, oh, Can't make a wife out of a those, oh
I'll never find the words to say I'm sorry, But I'm scared to be alone**

[chorus]

Oh-oh, woah-oh, Without you, without you, ooh [x2]

It's gon' be hard here on my own
And even harder to let you go, I
Really wish that we, could've got this right

[pre-chorus]

[chorus]

Oh-oh, woah-oh, Without you, without you, ooh [x2]
