[Intro]- A A A A

When the sun goes down on my side of town

That lonesome feelin' comes to my door

An' the **[D]** whole world turns... blue **[A]**

There's a rundown bar across the railroad tracks

I got a table for two, way in the back

Where **[D]** I sit alone... and I think of losin' you **[A]**

E

A

I spend most every night beneath the light of a neon moon

E,

Now, if you lose your one & only, There's always room here for the lonely

D

E

A

To watch your broken dreams dance in & out of the beams, Of a neon moon.

I think of two young lovers a-runnin' wild and free

I close my eyes and sometimes see

You **[D]** in the shadows of this smoke-filled room **[A]**

No tellin' how many tears I've sat here and cried

Or how many lies that I've lied

Tellin' **[D]** my poor heart she'll come back someday **[A]**

E

A

Oh, but I'll be alright as long as there's light from a neon moon

[Chorus]

[Instrumental] - A A D D A A

The jukebox plays on drink by drink

And the words to ev'ry sad song seem to say what I think

And this **[D]** hurt inside of me, it ain't never gonna end

E

A

Oh, but I'll be alright as long as there's light from a neon moon

[Chorus]

[Outro]

E (N.C.)

To watch your broken dreams dance in & out of the beams, Of a neon moon. [x2]
