

Carly Rae Jepsen - Call Me Maybe (Album: Kiss (2012))

[C | G | D | E] (repeat Chords for song)

I threw a wish in the well, Don't ask me, I'll never tell,
I looked to you as it fell, And now you're in my way,
I trade my soul for a wish, Pennies and dimes for a kiss,
I wasn't looking for this, But now you're in my way

***Your stare was holdin', Ripped jeans, skin was showin'
Hot night, wind was blowin', Where you think you're going, baby?***

Hey, I just met you, and this is crazy...

“But here's my number, so call me, maybe”

It's hard to look right at you, baby...“... so call me, maybe

**Hey, I just met you, and this is crazy...“... so call me, maybe
& all the other boys try to chase me...“... so call me, maybe**

You took your time with the call, I took no time with the fall,
You gave me nothing at all, But still, you're in my way,
I beg and borrow and steal, At first sight, and it's real,
I didn't know I would feel it, But it's in my way

[Pre-Chorus]

[Chorus]

Before you came into my life, I missed you so bad

I missed you so bad, I missed you so, so bad

Before you came into my life, I missed you so bad

And you should know that, I missed you so, so bad (Bad, bad)

[Chorus]

Before you came into my life, I missed you so bad

I missed you so bad, I missed you so, so bad

Before you came into my life, I missed you so bad

And you should know that, So call me maybe
