

Ed Sheeran - Drunk (Album: + (2011))

G **D/F#** **Em**
I wanna be drunk when I wake up, On the right side of the wrong bed
And every excuse I made up, Tell you the truth I hate

C **D** **G**
What didn't kill me, It never made me stronger at all.

G **G/F#** **Em**
Love will scar your make-up lip sticks to me, So now I'll maybe leave back there
C **D** **G**
I'm sat here wishing I was sober, I know I'll never hold you like I used to.

[Em | D | G | C]
*But our house gets cold when you cut the heating
Without you to hold I'll be freezing
Can't rely on my heart to beat it
'Cause you take part of it every evening
Take words out of my mouth just from breathing
Replace with phrases like when you're leaving me. [G]*

D/A **C**
CH: Should I, should I?
Em **G**
Maybe I'll get dru-u-nk again [x3]
C **D**
To feel a little lo-o-o-o-ove,

G
I wanna hold your heart in both hands
D/F# **Em**
I'll & I've got no plans for the weekend, So shall we speak then, Keep it between
friends

C **D** **G**
Though I know you'll never love me like you used to.

G
There maybe other people like us
G/F# **Em**
You see the flicker of the clip when they light up

C
Flames just create us, burns don't heal like before

D **G**
You don't hold me anymo-o-re.

[Em | D | G | C]

On cold days Coldplay's out like the band's name

I know I can't heal things with a hand shake

You know I can't change as I began saying

You cut me wide open like landscape

Open bottles of beer but never champagne

We'll applaud you with the sound that my hands make.

Em G

All by myself, I'm here again

All by myself, You know I'll never change

All by myself

C D

All by myself

Em G

Maybe I'll get dru-u-nk again [x3]

C D

To feel a little lo-o-o-o-ove,
