

**Jamey Johnson - In Color** (Album: That Lonesome Song (2008))

**!!!Capo 3rd Fret!!!**

**G, F, C, G**

I said, "Grandpa what's this picture here?  
It's all black and white, and it ain't real clear  
Is that you there?" He said "yeah, I was 11"  
Times were tough back in '35  
That's me and uncle Joe just tryin' to survive  
A cotton farm, In a great depression

**If it looks like we were scared to death  
Like a couple of kids just tryin' to save each other  
You should've seen it in color"**

"Oh, and this one here was taken over seas  
In the middle of hell in 1943  
In the winter time, You can almost see my breath  
That was my tail gunner ol' Johnny Magee  
He was a high school teacher from New Orleans  
And he had my back, Right through the day we left

**If it looks like we were scared to death  
Like a couple of kids just tryin' to save each other  
You should've seen it in color"**

**A picture's worth a thousand words  
But you can't see what those shades of gray keep covered  
You should've seen it in color**

"This one is my favorite one  
This is me and grandma in the summer sun  
All dressed up, The day we said our vows  
You can't tell it here but it was hot that June  
And that rose was red and her eyes were blue  
And just look at that smile, I was so proud

***That's the story of my life  
Right there in black and white [D]***

**[2<sup>nd</sup> Chorus]**
